**EXPLANATION OF H. F. 64**

Iowa is one of a very few states having an abnormally low operator's license fee. A majority of the states have a fee of \$1.00 or more per year for such a license. This bill will increase the fee for an Iowa operator's license from 25c per year to \$1.00 per year. The increased revenue can be used to partially defray the cost of maintaining our present Iowa Highway Safety Patrol or any increase in its membership which may be authorized by law.
